We've made a few changes that we'd like to tell you about

The safety of you, our clients and our team is paramount. There will be a temporary surcharge of £5 added to each clients bill irrespective of service. This simply covers the cost of all of the safety measures we have introduced into the salon as well as PPE. This charge will be removed as soon as these measures are no longer needed. Visiting our salon is a time to relax and be indulged and we will still do our utmost to achieve this.

We kindly ask for all clients to wear their own mask on arrival.

Masks will be provided in the event you forget yours.

Please sanitize your hands upon entering the salon.

We will need to check your temperature on arrival.

Reception and the backwash basins will have Perspex screens.

Chairs will be spaced out to observe social distancing.

We are not able to supply reading materials such as magazines.

Refreshments will be provided in disposable cups.

We ask that you attend your appointment alone.

Please do not bring friends or family members with you.

Please arrive on time for your appointment. Late arrivals may be refused entry.

We will sterilize all equipment and working areas before and after your service.

We will need to take a 50% deposit to secure the booking.

This deposit is non-refundable. In the event of you displaying symptoms of COVID-19 we will move your deposit to your next appointment which must be a minimum of 14 days later.

We've received an overwhelming amount of kind messages, we sincerely want to thank you all, our valued clients, for your ongoing loyalty and patience.

Best wishes,

Tila Studio Team
